Primordial black holes and their relation with spectral distortions

Tuesday, 6 July 2021 10:06 (18 minutes)

I will review the current status of primordial black holes and their relation with spectral distortions.

Primary author: KOHRI, Kaz (KEK)

Presenter: KOHRI, Kaz (KEK)

Session Classification: New Horizons in Cosmology with CMB Spectral Distortions

Track Classification: Cosmic Microwave Background: New Horizons in Cosmology with CMB Spectral Distortions
