

Sixteenth Marcel Grossmann Meeting

Contribution ID: **1051**

Type: **Invited talk in the parallel session**

Geoneutrino observation

Tuesday, 6 July 2021 08:40 (25 minutes)

Geoneutrino observation is reviewed.

The latest data of KamLAND and Borexino are included as well as the prospects of near future experiments.

Primary author: MITSUI, Tadao (Research Center for Neutrino Science, Tohoku University)

Presenter: MITSUI, Tadao (Research Center for Neutrino Science, Tohoku University)

Session Classification: Why and How the Sun and the Stars Shine: the Borexino Experiment

Track Classification: Fundamental Interactions and Stellar Evolution: Why and how the Sun and the Stars shine: the Borexino experiment
