

## Fifty Years Orbiting Remo's World Line?

*Tuesday, 17 May 2022 09:35 (25 minutes)*

Remo likes 50 year anniversaries although is always not too concerned with the number of years being exactly 50, but this year 2022 is exactly the 50th anniversary of our meeting at Princeton in the spring of 1972, which completely changed the rest of my life and led to my adoption by Italy and a second life based in Rome filled with so many positive personal relationships.

**Primary author:** JANTZEN, Robert Theodore (Villanova University)

**Presenter:** JANTZEN, Robert Theodore (Villanova University)

**Session Classification:** Morning session
