

The second announcement of the Seventeenth Marcel Grossmann Meeting – Pescara, Italy, July 7-12, 2024

The Seventeenth Marcel Grossmann Meeting is organized by ICRA (www.icra.it), ICRANet (www.icranet.org) and D'Annunzio University of Chieti – Pescara (<https://en.unich.it/university>) and will be held in Pescara, Italy on July 7-12, 2024.

The abstract submission deadline is extended to June 10, 2024.

The deadline for early bird registration is extended to June 10, 2024. The registration fees are: 400 euro for regular participants; 100 euro for students or retired scientists. Registration fee will cover access to all sessions, coffee-breaks, publication of proceedings, and equipment for online talks.

The list of 39 confirmed plenary speakers with abstracts of their talks can be found here: <https://indico.icranet.org/event/8/page/43-confirmed-plenary-speakers>. Since the field is rapidly developing a few plenary talks will be considered in view of their breakthrough nature.

The list of 64 parallel sessions with their description and chairpersons can be found here: <https://indico.icranet.org/event/8/program>
